Dear Ms. Coffey:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

(2) All dangerous and hazardous materials or items must be stored securely and out of the reach of children.

Medication was found on the dining table and was within the reach of children.

**R 400.1944 Smoke detectors; fire extinguishers.**

(1) Operable smoke detectors approved by a nationally recognized testing laboratory must be installed and maintained on each floor of the home, including the basement, and in all sleeping areas and bedrooms used by children in care.

An operable smoke detector was not found in the living room used for napping.
