Dear Sharon Dordon,

This letter is to advise you that the 6/10/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1934(4)	A radon test was not completed every four years, at the time of renewal.	Licensee will purchase a radon test kit and mail it in for results.	6/17/2024
R 400.1905(9)	The health and safety refresher courses were not completed in 2020, 2021 or 2023.	Licensee will complete the required health and safety courses.	6/24/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
