Dear Sharon Dordon,

This letter is to advise you that the 6/10/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1926(1)	Adult Household Member 1 is not conducive to the welfare of children. She has been charged with an exclusionary offense. Law enforcement found methamphetamine, a bag of syringes and a loaded syringe in her bag. AHM1 informed me that the bag was stored in her bedroom located in the child care home for approximately one month.	Adult Household Member 1 moved out of the child care home on 5/30/2024.	5/30/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
