Dear Deborah Henrickson,

This letter is to advise you that the 8/13/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1934(4)	A radon test was last completed in 2020. A new test was not completed at the time of renewal.	Licensee will purchase a radon test and send the results to the licensing consultant.	8/13/2024
R 400.1919(1)	An updated physical evaluation was not on file at the time of renewal.	Licensee will schedule a physical evaluation and send the report to the licensing consultant.	8/13/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
