Dear Ms. Butgereit:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection I observed three children while others were napping. Ms. Butgereit had a bottle feeding during the inspection as well as a diaper change that I observed. The children had a number of equipment and interaction available to them at the child care home.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
