RE: License #: DF090092186
Nicole Milks
3580 Wheeler
Bay City, MI 48706

Dear Ms. Milks:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

As a result of the renewal inspection on 3/18/2022, I did not find any rule or law violations. You will receive your regular license in the mail. The children were having fun during free play during my inspection. Technical assistance was provided regarding child information cards and child care background check account during the inspection.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730. Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Stacy M. Tomczak, Licensing Consultant

- Other water hazards? No Yes If yes, describe.
- Fireplace or wood burning stove? No Yes If yes, describe.
- Fireplace/wood burner in use during child care hours? No Yes If yes, describe barriers to protect children from burns.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes. The children were engaged in free play during the inspection. They were engaged with one another and Ms. Milks responded appropriately to their needs during the inspection.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).

3/18/22
