Dear Ms. Glocksine:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. Ms. Glocksine was caring for one child during the inspection. The child was napping while Ms. Glocksine was cleaning as there has been several ill children. Ms. Glocksine completed the required health and safety refresher courses and has applied for the stabilization grant.

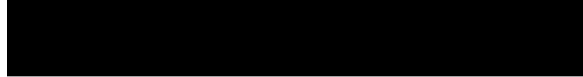

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
