Dear Ms. Glocksine:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

As a result of the renewal inspection on 12/01/2022, I did not find any rule or law violations. You will receive your regular license in the mail. During the inspection outdoor play, transition to inside, and free play were observed. The children were very engaged during the inspection and relied very little on intervention from Ms. Glocksine. Ms. Glocksine was very attentive to the children during the inspection and keeping an eye on what they were doing while answering any of my questions.
