Dear Ms. Steffen:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/15/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. The children were observed participating in free play during the inspection. They were engaged in dramatic play and reading books. Ms. Nye was attentive to the children during the inspection and the children responded well to her direction and were comforted by her.

Technical assistance was provided regarding portable heaters and cleaning/sanitizing diapering surface.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
