Dear Mrs. Krohn:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 02/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no children in care at the time of this onsite inspection. Ms. Krohn reported that she currently has two children enrolled in care, and they only attend child care before and after school.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance and consultation were provided during the exit conference in the following areas:

- Ms. Krohn needs to complete an updated discipline policy.
- Ensure that all medications are stored out of the reach of children.
- Ensure that you have an updated recall list. The recall list is provided on the Michigan Child Care Matters website at [Michigan Child Care Matters](#).

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
