Dear Heidi Moore:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/04/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1931 Food preparation and service.

(8) Bottles used for feeding must be labeled with the child's first and last name and date, refrigerated, and served only to the child on the label.

The licensee was caring for two infants. The bottles were not labeled with the first name, last name, and date.

R 400.1932 Home maintenance and safety.

(1) The structure, premises, and furnishings of a child care home must be in good repair and maintained in a clean, safe, and comfortable condition.

There were hazards accessible to children in the bathroom on the main level and the bathroom in basement of the home. The main level bathroom had personal hygiene products accessible to children. The basement bathroom had cleaning products accessible to children.

Due to the violations, you must send us a corrective action plan by 4/27/2023. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.
