Dear Ms. Kieffer:

This letter is to advise you that the 10/22/2020 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1925 (4)	Jamie Stockton was present at the home with children. She has been found ineligible through the CCBC system.	I will not have Jamie at the home. I will get her fingerprinted.	
R 400.1923 (2)(e)	The diaper changing area was not being washed, rinsed, and sanitized.	I will use the 3-step after changing a diaper.	
R 400.1941 (2)	Combustible materials including plastic totes were stored within 4 feet of the furnace.	I will move the totes.	

R 400.1944 (1)	There was not a smoke detector in the basement.	I will put one down there.	
----------------	---	----------------------------	--

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.
