Dear Ms. Carpita:

This letter is to advise you that the 11/12/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1925(2) Comprehensive background check; fingerprinting.	The licensee has not immediately disconnected individuals from the license in the CCBC system as required.	CCBC updated to remove individuals no longer connected to the facility. Will maintain.	Completed
R 400.1945(2) Emergency; plan; drill.	The posted emergency plans are missing some requirements such as, relocation site address, method for accommodating infants/toddlers during each emergency, and addressing medical needs	Emergency plans updated to include all required information	Completed

	(EPI Pen) for a child in an emergency.		
R 400.1945(7) Emergency; plan; drill.	The provider does not have a record for 2021 or 2022 fire and tornado drills available for review.	All drills were completed and records located. Will maintain records for 4 years.	Completed and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
