Dear Ms. Harvey:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I observed the children napping in appropriate sleeping equipment and supervision. Older children were engaging in quiet activities. Ms. Harvey was also cleaning up from nap and play activities.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Beth Goding". The signature is written in a cursive style with a long, sweeping tail on the final letter.
