Dear Sherrie Carter,

This letter is to advise you that the 5/13/24 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(9)	The licensee has not completed the 2023 health and safety refresher training.	I took the training and will take a picture of the training in the future in case the system doesn't keep a record of the finished course.	05/13/2024
R 400.1918(3)	Sunscreen for a child in the child's belongings, and ibuprofen for a different child are not labeled with children's names.	All the medication and creams will be labeled with children's names.	05/13/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
