Dear Mrs. Houle:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived on site no children were in attendance. Ms. Houle cares for 3 children on an as needed basis. Since Ms. Houle did not have children in care another visit will occur to observe her interaction with childcare children.

**Technical Assistance and Consultation were provided on the following:**

- I provided guidance on transportation and permission slips: R400.1951 and R400.1952
- I provided guidance on R400.1936.

As a result of the inspection, I did not find any rule or law violations.
