III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, Ms. Tebo was present with four children. The children were engaging in free play. Throughout the visit Ms. Tebo was observed to be nurturing and caring with the children.

The facility is in compliance with all applicable rules and statutes.

Technical Assistance and Consultation were provided on the following:

- I advised Ms. Tebo of the updated child in care statement.

IV. RECOMMENDATION

I recommend issuance of a regular license to this childcare home (capacity 1- 6).
