Dear Ms. Wallis:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection I observed fire safety, reviewed the emergency and crisis management procedures, observed a variety of developmental toys and books in the play area. I also discussed safe sleep with Ms. Wallis, as there were no infants sleeping during the inspection.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
