Dear Traci Zeeryp,

This letter is to advise you that the 3/6/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

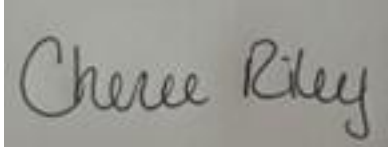

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1923(2)(d)	I observed the diapering pad to have tears in it; making it unable to be sanitized.	I ordered a new diapering pad to replace the old one with tears. I replaced it with a silicone one, in hopes that it will last longer. It will arrive by the end of this week.	3/8/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
