Dear Ms. Wagner:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/09/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection the programming I observed included the following: nap time and free play. I observed the caregiver's interactions with the children in care to be developmentally appropriate and responsive to their needs.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, I provided technical assistance and consultation on the following: gate to pool deck must be secured with a lock that cannot be operated by a child when gate becomes operable.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A black rectangular box containing the handwritten signature "Cheree Riley" in cursive script.
