Dear Mrs. Agin:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/27/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes. As a result of the inspection, I did not find any rule or law violations.

During the interim inspection, Ms. Agin was providing care for two unrelated children. Children were engaged in nap/quiet time and transitioned into free choice while I was onsite. Ms. Agin’s interactions with the children were noted to be positive and focused on the individual needs of the children. During the exit conference, we discussed emergency plans, updated ruled training on the LARA website, MiRegistry update training, and CCBC.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Sincerely,
