Dear Ms. Huhn:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 01/27/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Huhn was providing care to two unrelated children. Children were beginning to have their rest time and were laying on mats and covered with a blanket. Children had just finished lunch, which consisted of breaded chicken, broccoli, oranges, and milk.

Ms. Huhn has a sufficient amount of developmentally appropriate equipment accessible for children to use. Ms. Huhn has spent time organizing the equipment and it is very inviting for children to use. Ms. Huhn conversed with children using a soft voice, making eye contact, and was nurturing.

During the onsite inspection, I reviewed diapering procedures, infant safe sleep, fire safety, and daily activity programming. Ms. Huhn does not use one particular curriculum; however, she does provide experiences for children that include activities such as games, puzzles, art which includes letters, shapes, literacy, fine and large motor skills. I provided technical assistance to Ms. Huhn regarding emergency procedures effective 12/13/2019.

As a result of the inspection, I did not find any rule or law violations.

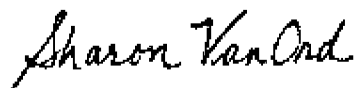

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
