Dear Ms. Huhn:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/22/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Huhn was providing care to five children; one related and four unrelated children. Children were observed to be engaged in free choice, playing kitchen and grocery store. Ms. Huhn has a sufficient amount of developmentally appropriate equipment accessible for children to use. The equipment is well organized and inviting.

During the onsite inspection, I reviewed diapering procedures, fire safety, paper work, and daily activity programming. Ms. Huhn stated children engage in a lot of free play. Children learn letters, shapes, colors, and more. She also has story time with children.

As a result of the inspection, I did not find any rule or law violations.

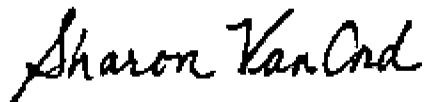

<b>During calendar year 2021:</b>	<b>Total</b>
