III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

When I arrived, children in care were engaged in free choice. Ms. Huhn has a sufficient amount of developmentally appropriate equipment for children to use. She has the environment organized and inviting for children. Ms. Huhn is warm and nurturing.

The facility is in compliance with all applicable rules and statutes.

Technical assistance was provided for the following:

- Ms. Huhn will take Health & Safety Module 2
- Updated child in care statements form were provided while onsite

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
