Dear Ms. Troub:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/22/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Troub was providing care to three children; one related child and two unrelated children. The children were sleeping. Ms. Troub has a sufficient amount of developmentally appropriate equipment accessible for children to use. The equipment is well organized and inviting. During the onsite inspection I reviewed diapering, paper work, emergency procedures, and observed children sleeping.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
