RE: License #: DF190410781
Laura's Daycare
15726 E Grand River Ave
Portland, MI 48875

Dear Ms. Utter:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/26/2023. The report was amended to correct the number of children in care. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the inspection, Ms. Utter and one child care staff member were providing care to six children; four unrelated, one related under six years of age, and one related over six years of age. I observed staff engage with children and provide an environment conducive to growth and learning. Ms. Utter has a sufficient amount of developmentally appropriate equipment and has it well organized for the children to choose from.

As a result of the inspection, I did not find any rule or law violations.

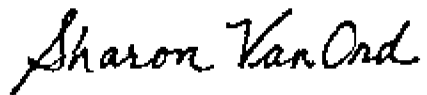

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
