Dear Ms. Marchek:

This letter is to advise you that the 01/12/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1915(6)	Spaces approved for children in care had multiple choking hazards for children under age 3 years old.	Ms. Marchek has moved all choking hazards and will check each month.	12/3/2022 & 12/4/2022
R 400.1925(1)	A family member, not fingerprinted/determined eligible by the department had unsupervised access to a child in care.	The family member has been fingerprinted.	12/1/2022
R 400.1933(4)	The water temperature exceeded 120 degrees Fahrenheit and poses a burn hazard.	Ms. Marchek has installed a temperature regulator with a check of 96 degrees Fahrenheit for children to use.	12/22/2022

R 400.1932(1)	Ms. Marchek's home was not organized and extremely cluttered.	She began decluttering each room and is hiring a cleaning service to assist her with maintenance.	1/1/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
