Dear Ms. Lippert:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/16/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection, the following topics were discussed:

- Health and safety training module 2 and refresher
- Updating Pack N' Play's
- Ensuring the 3-step cleaning is done for diapering
- Installing a new battery in the basement smoke detector

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Julia Majka".
