Dear Ms. Richards:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on January 17, 2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection, I observed naptime. The room was calm, quiet, and the children were appropriately spaced. Ms. Richards stated she creates her own curriculum which includes a letter, shape, color, theme. She incorporates large group activities, special activities, and outdoor play into the children's learning time.

As a result of the inspection, I did not find any rule or law violations.

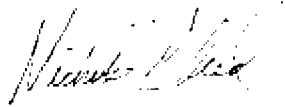

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
