Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

As a result of the Interim inspection(s) on 5/28/2024, licensing consultant Karen Woodman did not find any rule or law violations.

During the onsite inspection I observed free choice time. Interactions between Ms. Conn and the children were positive and developmentally appropriate. There was an adequate amount of age-appropriate play and learning materials. Ms. Conn chooses play-based activities based on the ages and developmental levels of the children in care.

If you have any questions regarding the report, please contact licensing consultant, Karen Woodman, at (517) 285-9301. In the event that Karen Woodman is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
