Dear Ms. Turner:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/31/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During the on-site inspection I observed free play, reading time, floor activities, and individual exploration. Ms. Turner stated she designs her own curriculum which is Reggio Amelia inspired as well as incorporating her continued educational learning. She recently obtained her child atelier and her Zumbini license. She also holds a Child Development Accreditation and is a Great Start to Quality star rated provider.
