Dear Ms. Reinsmith:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/31/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. Ms. Reinsmith stated she does developmental learning activities with the children including crafts, letters, numbers, learning to write their name, movement, music, and learning about the solar system. Ms. Reinsmith was observed interacting with the children in nurturing ways and positively communicating with them regarding their needs and play. I reviewed with Ms. Reinsmith the requirement to follow the instruction manual of the equipment she has in her facility, diapering, and supervision.

<b>During calendar year 2021:</b>	<b>Total</b>
