Dear Ms. Rush:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/16/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there was one child in attendance. I observed free play time. The home was clean and organized with a variety of age-appropriate materials and equipment accessible to the children. Ms. Rush interacted with the child in a positive and nurturing manner. I heard her use redirection as a positive discipline strategy. Home and child files were made readily available and were complete.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
