RE: License #: DF240406491
Chelsea's Childcare
3233 Click Road
Petoskey, MI 49770

Dear Ms. Tarvainen:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection there were four children present with the licensee. I arrived while children were resting. After rest time, the children read books and played quietly. I reviewed files of the children and the licensee. I also reviewed fire safety, emergency plans, and inspected the premises for safety. I reviewed safe sleep practices with the licensee as an infant was going to start attending the child care later this month.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance and consultation was provided for the following:

- Combustible materials must not be stored within 4 feet of the furnace or other flame or heat producing equipment.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
