Dear Ms. Rocheleau:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/01/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection I observed children playing during free choice. The licensee, Ms. Rocheleau was nurturing to the children, specifically an infant who was crying because I was a stranger. Ms. Rocheleau continued to hold and comfort the infant. Ms. Rocheleau redirected the children when they were starting to exhibit unwanted behavior. I observed working smoke detectors, outlet safety covers, no cords hanging, and developmentally appropriate toys.

As a result of the inspection, I did not find any rule or law violations.

**Technical assistance and consultation were provided on the following:**

- Ensure the parents include their work phone number on the child information cards.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
