Dear Ms. Osier:

This letter is to advise you that the 10/25/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1918(3)	A child in care had a prescription inhaler in his backpack. It was not clearly labeled with the child's name.	Ms. Osier will make sure all medications are in a container with the child's name and instructions. To maintain compliance she will review medications and compare to child information cards quarterly.	10/25/2022
R400.1918(4)	A child had a prescription inhaler in his backpack. The inhaler did not have the pharmacy label indicating the physician's name, child's first and last name,	Ms. Osier will make sure all medications are in a container with the child's name and instructions. To maintain compliance she will review	10/25/22

R400.1918(6)	instructions, and name and strength of the medication. Ms. Osier administered Tylenol to a child under the age of two. The directions say the medication is not to be administered to children under two years of age. A physician's note was not on file.	medications and compare to child information cards quarterly. Ms. Osier will give prescription and nonprescription medication according to instructions. If a parent wants her to give medication other than what is instructed, she will require a note from the doctor with such information.	10/25/2022
R 400.1924(2)(b)	While on site, I observed Ms. Osier not washing a child's hands after changing their diaper.	Ms. Osier will make sure children wash their hands after diapering and toileting. To maintain compliance she plans to wash children's hands before washing hers.	10/25/2022
R400.1945(4)	Ms. Osier did not conduct a fire drill during every quarter in 2022.	Ms. Osier will complete fire drills monthly.	11/01/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
