RE: License # DF250370908
Bella's In-home Daycare
3379 Lahring Rd.
Linden, MI 48451

Dear Mrs. Stanton:

This letter is a follow-up to the on-site inspection conducted at your home on 05/05/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the inspection I observed a child climb into a small trampoline while playing outside. I informed Ms. Stanton that trampolines are not allowed in child care homes. She agreed to not allow children to use this apparatus.

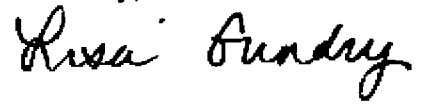

In addition, I provided Ms. Stanton consultation and technical assistance on filling out the child information cards in their entirety and obtaining ground cover for under the play structure in the back yard.

Your facility was found to be in compliance with the requirements of Act No. 116 of the Public Acts of 1973, as amended and the applicable administrative rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (810) 787-7031.

Sincerely,
