III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes

During the inspection I provided Ms. McDonald technical assistance and consultation on the following rules:

- The updated product safety recall list (emailed to her while onsite)
- Ensuring the basement smoke alarm works (corrected onsite)
- Completing Fire drills quarterly

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
