III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records.

Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

At the time of the inspection, technical assistance was provided to Ms. Vogt on the following rules:

- Disconnecting [REDACTED] from the background check website since he has moved out of the home.
- The 2023 Health and Safety Refresher training.
- The 2023 fingerprint renewal for Ms. Vogt and [REDACTED]

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
