Dear Ms. Wood:

This letter is to advise you that the 02/01/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1905(7) Training	Licensee does not have a valid adult/pediatric CPR/First Aid card.	Licensee will have valid pediatric/adult CPR/First Aid card from an approved provider, retained on site for review.	02/28/2023
R400.1916(4) Bedding and sleep equipment	The crib sheet in the crib in which an infant was sleeping was not tight nor fitted to the mattress.	Licensee will ensure all sheets are tight and fitted to the mattress.	02/01/2023
R400.1945(4) Emergency; plan; drill	Licensee has not completed fire drills and has no documentation for 2021, 2022 or 2023.	Licensee will ensure fire drills are completed once a quarter per calendar year, documented, and retained onsite for review.	02/01/2023

R400.1945(5) Emergency; plan; drill	Licensee has not completed tornado drills and has no documentation for 2021, 2022 or 2023.	Licensee will ensure tornado drills are completed twice between the months of March and November of each calendar year, documented, and retained onsite for review.	02/01/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services.

Technical Assistance and Consultation:

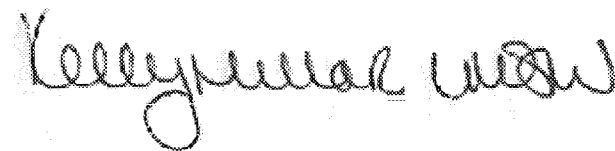

R400.1915(1)(4) Indoor space; play equipment and materials-

License will ensure the play area is properly cleaned, and able to be walked through. Licensee will post the most current recall notice.

R400.1932(1) Home Maintenance and safety- Licensee will also ensure the exposed insulation, and plywood surrounding an air conditioning unit in play room is covered and painted.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

Kelly Millar, LMSW, Licensing Consultant
