Dear Kathy Jewell,

This letter is to advise you that the 5/8/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1932(1)	At the time of the onsite inspection the rear railing of the deck needed additional screws. The railing was loose.	We will get estimates on deck and temporarily secure back with screws.	5/8/2024
R 400.1907(1)(a)	At the time of the onsite inspection two child information cards were unable to be located.	I will obtain emergency cards for missing kids and ensure all children have them on file.	5/9/2024
R 400.1945(4)	At the time of the onsite inspection three of four required fire drills were completed in 2023.	I will do fire drills 4 x a year, 1 every quarter.	5/9/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services.
