Dear Ms. Bigham:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/04/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived on-site, Ms. Bigham was present along with three unrelated children and one related child. Three of the children were engaged in free play while one was napping. Ms. Bigham is in the middle of some minor home improvement projects. No safety hazards were observed. The children appeared happy and comfortable within the care of Ms. Bigham.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance and consultation was provided to Ms. Bigham in the following areas:

- A discussion was held regarding R400.1941(2).
- Ms. Bigham was provided a consent and disclosure form.
