Traverse City, MI 49684

Dear Susan Rice:

This letter is to advise you that the 08/02/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
-----------------	------------------------	-----------------	----------------------

R 400.1933(4) Water supply; sewage disposal; water temperature.	The water temperature at the child use handwashing sink was 129.4 degrees Fahrenheit	Ms. Rice will regulate the water temperature at 120 degrees F, or below. In the meantime, she will monitor child handwashing to make sure the water is not hotter than 120 degrees F.	By 08/08/2022 Immediately until permanent fix is complete
R 400.1944(1) Smoke detectors; fire extinguishers.	The smoke detector in the living room was not operational. The expiration date on the back of the smoke detector indicates that it will need to be replaced by 12/10/2022.	Ms. Rice will replace the smoke detector battery, making it operational again and install a new smoke detector.	By 08/02/2022 By 12/10/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.

Sincerely,
