Dear Ms. Klingelsmith:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/28/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the interim inspection, I observed child playtime, breakfast, bodily care routines, diapering, and handwashing. Ms. Klingelsmith used positive guidance techniques with children. She gave them choices and redirected them appropriately when needed. She read younger children's verbal and non-verbal cues and responded with nurturing care and support.

**I provided Technical Assistance and Consultation on the following:**

- Adult household member [REDACTED] needs to complete Section 2 of his new Consent and Disclosure form.
- [REDACTED] and [REDACTED] should be listed as Adult Household Members in the CCBC system instead of Supervised Volunteers. Please login to the CCBC system to change their roles.
- New Child in Care Statements were provided during the inspection and should be used for all enrolled families as the old one is obsolete.

As a result of the inspection, I did not find any rule or law violations.
