RE: License #: DF280390327
Lisa Hammond
981 Dyer Lake Rd
Traverse City, MI 49685

Dear Ms. Hammond:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/05/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection, there were four children present with Ms. Hammond. She was compliant with ratio requirements. While onsite, I observed nap time and diapering. There is a sufficient amount of developmentally age-appropriate toys and equipment accessible to the children in the child care room. Ms. Hammond was observed consistently responding to an infant’s cries. I observed Ms. Hammond altering her daily schedule to meet the needs of a newly enrolled child. To support early education, Ms. Hammond engages the children in educational play. There outdoor play area is located outside of the sliding glass door located off the living room in the basement. She teaches the children about plants animals, seasons, and weather. She reads to the children daily.

Technical Assistance and consultation were provided on the following:

- I provided guidance on individual chronic medical condition plans.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0

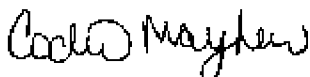

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
