IV. Description of Findings and Conclusions

This license has been modified on 04/14/2022.

A. Description of Facility

The child care home is a two story, wood-framed structure with an unfinished basement. The home is located in the city of Ithaca.

Rooms and levels approved for child care use: On the main level of the home the playroom (NE) and the playroom (NW) are approved for child care use. There is a half-bath that is located within the playroom (NW) that is available for use by the child care children.

Areas not approved: On the main level of the home, the kitchen/mudroom, dining room, living room (S), sitting room (SE) and the walk-thru pantry/office located off of the playroom (NW); along with the entire second level of the home and the basement are not approved for child care use.

Ages of children served: Ms. Hayes will provide care for children ages birth thru 17 years.

Equipment: Ms. Hayes has a large supply of age-appropriate equipment for a capacity of 6 children at one time.

Proposed days and hours of operation: Child care will be provided Monday through Friday from 6:30 a.m. to 5:00 p.m.

Previous or concurrent licenses, including children's foster care: Ms. Hayes has been previously licensed at this same location (DG590078479). There are no concurrent licenses; including children's foster care.

Exiting information (including second floor and basement): There are three exits available on the main level of the home. The door in the kitchen/mudroom exits out to the front porch and steps down to the driveway; the front entryway

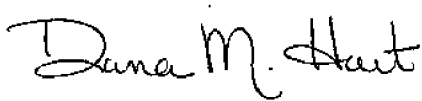

door leads out to the front porch and steps down to the front yard; and the back door exits out to two cement steps that lead directly down to the backyard.

Outdoor play area description: There is a small ornamental pond located on the southeast side of the home. The outdoor play area is located in the backyard on the north side of the home and is surrounded by a wooden fence with a gate that latches.

Explanation of variances; if any: There are no variances for this child care home.

V. Recommendation

I recommend the removal of the kitchen/mudroom, dining room, living room (S) and the sitting room (E) from the approved child use space.
