RE: License #: DF290296030
Erin Pittman
1635 S. Crapo
Ithaca, MI 48847

Dear Ms. Pittman:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/17/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived on-site, Ms. Erin Pittman was present; along with five unrelated children in care. Three of the children were napping in the playroom and one child was napping in an approved bedroom while Ms. Pittman attended to an infant in care. Ms. Pittman's space is clean, very well organized, welcoming to the children and developmentally appropriate. Safe sleep rules were reviewed and discussed. Television viewing is kept to a minimum, less than 2 hours per day and children play outside on a daily basis. There is a large grassy area, with no equipment that exceeds 30" in height, where the children can run and play. Ms. Pittman had a good rapport with the children in care. The children, who were awake, appeared happy and comfortable within her care.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance and consultation were provided to Ms. Erin Pittman in the following areas:

- The Child Care Background Check reprinting process.
- The Ongoing Health & Safety Training for 2023.
- A Radon test to be completed for her licensing renewal in 2024.
- Fingerprinting for a household member who will turn 18 early next year.

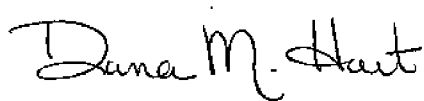

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
