Dear Annette Pierce:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived on-site, Ms. Annette Pierce was present, along with one child in attendance. The child in care was observed eating breakfast, playing with the toys, watching a sing-a-long program on TV and looking at books. Ms. pierce was attending to their wants and needs in a timely and positive manner.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance and consultation was provided to Ms. Pierce in the following areas:

- **R400.1943(7) Exit requirements for each level used by children.** Doors located in a required path of escape must be readily openable from the side of egress without the use of a key or special knowledge. Double cylinder locks, key-operated locks, and similar devises are not allowed on any door in a required path of escape.
- **R400.1925(2)(b) Comprehensive background check; fingerprinting.** Maintain a copy of the completed and signed form(s) for each individual entered into the child care background check system under the license.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
