RE: License #: DF300381336
Jessie's Daycare
9941 Cobb Lake Rd.
Jonesville, MI 49250

Dear Ms. Newell:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/09/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. I was able to observe the licensee interacting appropriately with the children. The children were engaging in free play time and have ample imaginative and creative equipment at their disposal to nurture their development.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Charnell Lennox
