Dear Ms. Olawale:

This letter is to advise you that the 07/08/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

R 400.1920(3) (c) Outdoor play area and equipment.	There were a few broken toys that need to be removed from the outdoor play area: a climber that has cracked plastic on it and a small swing that is broken.	Broken toys were removed. Periodic checks will be done to remove anything broken or unsafe.	6/8/22
R 400.1932(1) Home maintenance and safety.	The front door, which is the main fire exit door, is not opening and closing properly and is getting stuck.	Door was fixed by home repair person and will be checked to make sure it's working right.	6/8/22

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
